

## Business Update

### **Well what a first DotDot Newsletter to start on!**

Since March DotDot has had to stop, change, diversify and re-adjust like the rest of the world has. I'm sure it has been a scary time for every family in many ways. Safety was always at the forefront of our minds and for this we want to thank you all for keeping in touch, working with us in whatever way you could. For those who have come back into the #DotDotFamily using our services, we thank you for being sympathetic to the new way of working.

You will be pleased to know that all the members of the DotDot Team have undertaken several specific, DEFRA approved 'Covid-19' certified training courses, including '**Safe Hand Hygiene**' and '**Pet Boarding & Daycare Covid-19 training**'. In addition to this the business has recreated and implemented all new risk assessments and safe handover policies and we have all invested in new equipment and products to ensure that every service we offer is safe for all concerned. **I would like to take this opportunity to thank all of the team for their commitment and dedication to DotDot, the resilience they have shown throughout this further demonstrates what a special bunch of people they are.**

As I type this update, I am thrilled to announce that DotDot Pet Care will be expanding their services to **Beverley** & surrounding villages from **September 1st**. Watch this space for more information.

---

These last few months have only reinforced within the whole DotDot Team just how much we love our jobs. We have missed seeing our extended fur family so much and can't wait until we can all safely and happily resume to some sort of 'normal' once again. As always we aim to be flexible wherever possible, so for any of our clients who have not yet resumed their 'normal' weekly walks and won't be returning to work until September time, please do keep in touch with us about the future so we can try our best to keep a spot open for if and when you need us.

I would like to close this first newsletter by sending our heartfelt thoughts to those in our Family who have lost loved ones during these last few months. Our love and thoughts have been with your families and please know we are all only ever a phone call away.

Karli

## Special Announcements

### **Afternoon of Sunday 30th August**

*for more info and to book your space, please visit the Facebook events page.*

### **Pitter patters of 2 feet**

Adam & Jo  
welcomed baby

**Jack**

Rob & Sarah  
welcomed baby

**Reuben**

Tim & Katherine  
welcomed baby

**Eleanor**

Each newsletter we will feature our...

# Star Pets of DotDot

## Coco

Coco is consistently a star doggy! Always an absolute pleasure to walk. She listens perfectly to everything, plays so well with all the dogs & recently has been fab help in bringing more anxious doggy's out of their shells.

## Willow

At the start it was difficult to find the perfect group for Willow, but she has settled back into DotDot life extremely well! Much calmer and an absolute pleasure to walk taking everything in her stride better than ever before!

## Sam

A few changes made the transition from doggy daycare to group walks a bit of a struggle for Sam and he would want to retreat home! Now, Sam loves his midday walks with his friends. He's a constant pleasure and great fun...often not wanting his walks to end.

## Luna

Luna came all the way from Cyprus and has settled immediately. She is getting on so well with her 3 new cat siblings and her rabbit sibling too! Luna has learned lots of new tricks and is an absolute superstar with her recall (most of the time!)

## Hermie

After a horrific start in life where her ears had been cut off and used as bait for dog fighting, Hermie was a very nervous doggy. There was an instant connection with her DotDot walker and she is now a confident, off lead doggy!

## Finn

Finn has been with DotDot as a full time dog since day 1! He is the stooge dog who eases all newbies in! Excellent in building up the confidence of nervous or anxious dogs, great on or off lead and is a brilliant running companion.
